

A close-up photograph of a wooden door with a classic 2x3 grid of panels. The door is a warm, reddish-brown color. In the center, there is a silver-colored handle. To the right of the handle, there is a peephole. The text "OPEN QUICKLY FOR AN IMPORTANT NOTICE." is overlaid in white, bold, uppercase letters within a white rectangular border in the upper-middle section of the door.

WHAT HAPPENS WHEN YOU ARE AWAY?

So you've got one of the best alarm systems available. And it's monitored 24/7 for break-ins. But what about reliable back-up? Are you relying on friends or neighbours to keep an eye on your home or respond to alarms while you're away to prevent a burglary? Thieves can come and go in a flash and often police are far too tied up to attend alarm calls in a timely fashion. To provide you with total peace of mind, Commissionaires – BC's largest and most respected security organization – is offering HOUSEWATCH, a mobile patrol and alarm response service, that's affordable and reliable 24/7.

Our experienced mobile team consists primarily of former military and RCMP, is security cleared to Federal Standards and is bonded to \$100,000. Our service is available 24/7 and we will visit your home as often as you need us to check that it is secure. Additionally, if your alarm goes off we'll respond immediately in person, 24/7.

LEAVE YOUR HOME IN CAPABLE HANDS.

Commissionaires' HOUSEWATCH team will:

- > check your home is secure as often as you need us to and verify that doors and windows are locked;
- > look out for unusual activity or suspicious persons and alert the police if necessary;
- > quickly attend your home in the event your alarm goes off;
- > coordinate with police as necessary;
- > prepare a full incident report;
- > make sure your home is re-secured before leaving.

Commissionaires' HOUSEWATCH is perfect for those individuals with seasonal residences. Ensure your home is secure all winter or summer long with HOUSEWATCH.

HOUSEWATCH: INSTANT PEACE OF MIND.
